

Illegal Forex Scam

- Wong?
- Ya. You looking for job?
- YES !!!
- Awesome...! Eh by the way how your parents doing ah? How much the earn ah? What car they drive ah?
- Ahh...
- I think you can do better. Eyes round round, hair long long. So pretty! So much potential !!! I get all my Sifu to teach you all the kungfu on Forex trading, and to analyse the stock market. You from business admin become investment broker.
- Eh....wait! You mean I have to attend training for 3 weeks right? Then after that open online trading account for RM 1500. Also have to ask my family to join to get commission?
- Bingo !!! Don't worry, this job is legit. Published in newspaper, registered in Switzerland. And this is approved by Bank Negara Malaysia, and also all other financial institutions all around the world.
- Bro.....I just been through what you just shared, and I lost all my savings in the Forex trading. I called Bank Negara and they told me that I have been scammed. Have you been scammed?
- Cannot be !!!
